

10th Anniversary

2011 AUSTRALIAN WOMEN'S MOTOTRIAL CUP

Hi all,

With 4 days to go, we have 27 female riders entered, which is very exciting. With 4 'Expert' riders, 6 'Master' riders, 5 'Sports' riders, 4 'Novice' riders, 6 'Junior' riders & 2 'Sub-Junior' riders.

With 5 riders from ACT, 9 riders from NSW, 5 riders from Victoria, 4 riders from Queensland, 2 riders from Tasmania, 1 from South Australia & 1 from New Zealand.

I have received 11 apologies from riders who were unable to ride, for various reasons.

I have booked the 'Delhi 6' Restaurant which will be opened just for us. So, everyone who confirmed attendance will need to come or arrange payment please. (Otherwise I will be out of pocket.) Extra diners are welcome. It will be a lovely way to finish off a fun day.

Directions, to the restaurant, from Captains Flat can be accessed on goggle maps, as follows:

The address is: 14 Childers Street, Canberra City.

It is on the corner of Childers & Allsop Streets, opposite The Street Theatre, ANU. There are plenty of parks across the road & it is easy to find. See you there at 6:30pm!

Again, we have some fabulous sponsors on board. **Sherco** is the major sponsor, supplying the silverware, awesome posters, & a absolutely fabulous event T-shirts. Section sponsors are: Section Two – **Monza Imports**, Gary has secured \$450 worth of 'Fox' gear. Section Three – **TJ's Tyres**, Hal is offering a new tyre. Section Four – **Kaos**, Darryl & Estelle are providing bikes, accommodation & transport for our NZ riders. Section Five – **GasGas**, Paul is bringing a booty of goodies. Section Six – **Jitsie**, Kal is providing 3 pairs of Jitsie gloves. Section Seven - **Canberra Motorcycle Centre**, Jamie is also putting together some motorcycling goodies. Section Eight – **Gem MX**, Erin is sending some girlie motorcycling accessories. Section Nine – **Joe's Motorcycles**, Corey has provided some cute gear for our younger riders.

If you are not touring Canberra on Saturday, we will be at the trials site getting organised for the Sunday.

Remember to pack your woollies, it is very cold, wet & windy here at the minute. See you bright & early Sunday morning!
