

## Victorian Trials Championships 2017

### Expression of Interest

The Victorian Trials Championships are scheduled for the 19<sup>th</sup> and 20<sup>th</sup> of August 2017 at the fantastic Mount Bolton venue near Ballarat and for many it poses the question of “which bike do I ride”, my modern, classic or maybe the twin shock’.

Would you be interested in competing on your older bike at the Vic Champs for just Classic and Twin Shock on the 5<sup>th</sup> and 6<sup>th</sup> of August at Ravenswood (near Bendigo) and your modern bike two weeks later at Mt Bolton?

The Victorian trials management committee are seeking expressions of interest from riders of both Classic and Twin Shock trials bikes who would be interested in competing in a two day Victorian Championship on the 5<sup>th</sup> and 6<sup>th</sup> of August 2017. Obviously we need a good number of entries to make this event a success and we intend to run several different lines for Twin Shock, clubman, C and B grade standards and for Classic we will be offering the normal Classic line with perhaps a slightly more challenging line if there is interest.

By splitting up the conventional format of the Vic Titles we expect to have greater entry numbers for both events which means, you get more riding, with two shots at a Victorian Title. The other positive for the sport is we should see more volunteers for observing from riders who only wish to ride one event and help out at the other.
