Bass Strait Travel Arrangements

The Tasmanian Motorcycle Trials Club has secured a special offer for the Bass Strait crossing with the TT-Line ferries 'Spirit of Tasmania'. By following the below link and booking your trip from this portal, you will receive the best available fare with the discounted rate applied for our event.

www.spiritoftasmania.com.au/offers/2019-huon-aquaculture-australian-motorcycle-trials-championship

It is important to book your spot on the ferries early, as they are very busy and may fill to capacity months out from your preferred sailing time.

A few details to note:

- Trailers (not caravans) are calculated as freight for the fare and are exempt from the government funded subsidy applied to vehicles.
- Quarantine in Tasmania is strict and you will be required to remove and clean your motorcycle &/or vehicle if it appears unclean on arrival.
- Fuel jerry cans must be empty before travel.
- Space for high vehicles is at a premium as you are competing with freight and campers.

If you have a large vehicle or 'outside the box requirement' like unaccompanied trailers &/or vehicles, motorcycles, etc. Coastal Auto Transport may be able to help.

www.coastalautotransport.com.au

Please give Nobby Gabbedy from the TMTC a call (0408454964) to discuss any out of the ordinary freight requirements you may have.

Regards,
Kurt Pickering

Secretary, TMTC.
